Career Objective

Electronics and Communication Engineering graduate with hands-on experience in developing responsive web applications. Passionate about building user-friendly web applications and solving real-world problems through technology. Seeking an entry-level software development role to apply my technical skills, continuously learn, and contribute to the organization's success.

Educational Qualification

B.E. Electronics and Communication Engineering | CGPA: 8.4 — Sep 2023 - Present
Nehru Institute of Engineering and Technology, Coimbatore

Higher Secondary Certificate (HSC) | 80% — June 2022 - Apr 2023
Sri Vidya Mandir Sr Sec School, Salem

Technical Skills

Languages: Java, HTML, CSS, JavaScript
Databases: MySQL
Tools: Microsoft Office, GitHub, VS Code, Eclipse IDE
Concepts: Data Structures and Algorithms, OOPS, DBMS

Projects

Men's Fashion - E-commerce Website — June 2026 – July 2026

- Designed and developed an e-commerce website using HTML, CSS and JavaScript with structured pages for services, pricing, and contact information.
- Implemented a clean, simple UI focused on easy navigation and better user experience.

Hospital Management System — Dec 2025 – Jan 2026

- Built a hospital management system covering patient registration, doctor management, appointment scheduling, and database-driven records.
- Integrated Java with MySQL using JDBC for secure CRUD operations and efficient data handling.

Internship

Software Engineer Intern | HackerRank (Virtual) — May 2026 – June 2026

- Developed optimized Java solutions for coding challenges involving Data Structures and Algorithms.
- Implemented efficient algorithms and test case management, strengthening analytical and software engineering skills.

Certifications

- Object Oriented Programming in Java - IBM, 2025
- Full Stack Development Course - Novitech R&D Private Limited, 2026
- SQL Certification Course - Intellipaat, 2026
- Communication Skills - TCSiON, 2024

Achievements

- Participated in a 10-hour Hackathon conducted by the Amypo Organization (2025).
- Participated in the Ignite Bootcamp - Venture Idea Development program (2026).
